II. Announcements and Community Comments

None

III. Levy Phase III Update

Ben Franz- Knight reported on the progress of the Levy phase III. He discussed the status and plan for the windows on Western; this issue would need to be addressed in the next upcoming months. The project is planned to take part in phases; the first phase will be the rehabilitation of the windows at the Constituency office and on the street level of Western and one level up. The remaining phases of the project will be addressed in the Spring of 2013, the Fall 2013 and the Spring of 2014. The project timeline would align with the cash flow projections that have been in progress with the City.

IV. Key Issues & Discussion Items

- A. Update on Proposed Capital Projects
 - I. Campus Directional Signage
Ben Franz-Knight reported on the status of the Campus Directional Signage Project. He stated that we are moving forward and having initial conversations with our consultant, RMB Vivid. He added that there will be an update on the process and schedule soon.

II. Leland Fairly Wall along Pike Place

Ben Franz-Knight reported on the status of the Leland Fairly Wall along Pike Place. He noted that there has been time spent reviewing alternatives for the wall, including the possibility of rollup doors in place of the siding. He added that the goal is to find a more cost effective and efficient way to address the needs in the area. From the Chair's request at last month's committee meeting, Ben distributed a packet with previous designs developed by SRG for review. He stated that it will be unlikely to make substantial progress from a design perspective for the wall due to funding this calendar year. He concluded that the wall could be kept in mind for the budget for 2013 and could be a priority from them.

There was a brief discussion regarding the permitting and street designation of Pike Place. This item will be reported back to the committee next month.

III. Fish Ice Melting

Steve Nelson distributed photos of the new fish ice melting station which will be fully operational in the next coming weeks.

IV. Food Bank Lobby

Tyler Jamison presented an introduction to the food bank lobby issue followed by a discussion of Proposed Resolution 12-72.

Gerry Kumata entered in at 4:40 pm

a. **Action Item:** Proposed Resolution **12-72:** Food Bank Lobby Tenant Improvement - PCI-N Parking Garage

Tyler Jamison introduced the resolution which states that in order to maintain the viability of the Pike Place Market buildings the PMPDA has determined that the Food Bank customer base has outgrown the existing lobby and for safety concerns, additional lobby space is needed. The PMPDA has executed a competitive bid process for the additional lobby space. It be requested that the PMPDA Council authorizes the PMPDA Executive Director or his designee to enter into a contract with Experienced Construction, Inc. in an amount not to exceed \$211,377.71 for the execution of additional lobby space at the Food Bank. The funds for this project will be drawn from the New Market Tax Credit I, Other Projects – Foodbank, Accounting Code 163225-00.
